Welcome to the first newsletter of 2019!! It has been a very busy couple of months at Marmora and although we all love the festivities of Christmas, I am sure you will all agree, it is lovely to be able to go back to our normal routines!!

All the Christmas festivities were great fun and it was lovely to see so many friends and families during this time. Thank you for so many lovely cards and presents to all the staff. We managed to raise £80 altogether for our Christmas hampers this money will contribute towards our resident activities fund. Thank you to all that contributed towards this.

We managed to bag ourselves an award at the Essex Care Sector awards and came HIGHLY COMMENDED for nutrition and hydration!! We are very proud of this achievement.

For all of you that know me well, you will all know that once one thing has been achieved, we are on to the next big thing!! We are always looking to achieve new goals and win new awards!! So watch this space, as I sure that the year 2019 will be even bigger and better, with even more achievements, than 2018!!

As always, I thank you all for your on-going support.

Myself and Liz have both had conversations with many of you, regarding End of Life wishes and goals for your loved ones. We would like to thank you for working with us on this very important
